

CONTENTS LIST

Volume 5 contains two journal issues and this list of contents includes all technical papers published in *International Energy Journal* in 2004.

Volume 5, Number 1, June 2004

Experimental Investigation of Twisted Bladed Savonius Wind Turbine Rotor	1
<i>A. S. Grinspan, U. K. Saha and P. Mahanta</i>	
Fixed Bed Pyrolysis of Scrap Tyre for Liquid Fuel Production	11
<i>Md. Nurul Islam, Mohammad narul Islam and Mohd. Rafiqul Alam Beg</i>	
Making of Biodiesel from Castor Oil Performance Test of a Diesel Engine with Neat diesel Fuel and Diesel-Biodiesel Blands	19
<i>Md. Nurun nabi, Mhia Md. zaglul Shahadat and Md. Shamim Akhter</i>	
Monthly Mean Daily Utilizability of South India	33
<i>B. Janarthanan, J. Chandrasekaran and S. Kumar</i>	
Some Laboratory Studies on the Carbonisation of Briquetted Tropical Wood Sawdust	41
<i>K. O. Lim, S. P. Tan and P. L. Chung</i>	

Volume 5, Number 2, December 2004

Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study	47
<i>A. D. De Maria, D. Marano, V. Sabatelli, G. Braccio and V. K. Sharma</i>	
Emission Characteristics of a Naturally Aspirated C I Engine with Biofuels and Bio-Fossile Fuel Mixtures	69
<i>R. N. Singh, S. P. Singh and B. S. Pathak</i>	
Experimental Analysis of a PCM Based I. C. Engine Exhaust Waste Heat Recovery System	81
<i>S. P. Subramanian, V. Pandiyarajan and R. Velraj</i>	
Field Studies of Biogas Digester with Partitioned Walls	93
<i>P. Mahanta, A. Dewan, U. K. Saha, P. Kalita, B. K. Bhatt and D.R. Das</i>	
Performance Study of a Solar Tunnel Dryer for Horticultural Crops	103
<i>P. L. Singh, S. Ganesan and Sunita Singh</i>	

Volume 5, Number 1, June 2004; and Number 2, December 2004

AUTHOR INDEX

Md. Shamim Akhter		Mohammad Narul Islam	
• Making of Biodiesel from Castor Oil Performance Test of a Diesel Engone wih Neat Diesel Fuel and Diesel-Biodiesel Blands	19	• Fixed Bed Pyrolysis of Scrap Tyre for Liquid Fuel Production	11
Mohd. Rafiqul Alam Beg		Md. Nurul Islam	
• Fixed Bed Pyrolysis of Scrap Tyre for Liquid Fuel Production	11	• Fixed Bed Pyrolysis of Scrap Tyre for Liquid Fuel Production	11
B. K. Bhatt		B. Janarthanan	
• Field Studies of Biogas Digester with Partitioned Walls	93	• Monthly Mean Daily Utilizability of South India	33
G. Braccio		P. Kalita	
• Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study	47	• Field Studies of Biogas Digester with Partitioned Walls	93
J. Chandrasekaran		S. Kumar	
• Monthly Mean Daily Utilizability of South India	33	• Monthly Mean Daily Utilizability of South India	33
P. L. Chung		K. O. Lim	
• Some Laboratory Studies on the Carbonisation of Briquetted Tropical Wood Sawdust	41	• Some Laboratory Studies on the Carbonisation of Briquetted Tropical Wood Sawdust	41
D. R. Das		P. Mahanta	
• Field Studies of Biogas Digester with Partitioned Walls	93	• Experimental Investigation of Twisted Bladed Savonius Wind Turbine Rotor	1
A. Dewan		• Field Studies of Biogas Digester with Partitioned Walls	93
• Field Studies of Biogas Digester with Partitioned Walls	93	D. Marano	
S. Ganesan		• Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study	47
• Performance Study of a Solar Tunnel Dryer for Horticultural Crops	103	A. D. De Maria	
A. S. Grinspan		• Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study	47
• Experimental Investigation of Twisted Bladed Savonius Wind Turbine Rotor	1		

- Md. Narun Nabi**
- Making of Biodiesel from Castor Oil Performance Test of a Diesel Engine with Neat Diesel Fuel and Diesel-Biodiesel Blends 19
- V. Pandiyarajan**
- Experimental Analysis of a PCM Based I. C. Engine Exhaust Waste Heat Recovery System 81
- B. S. Pathak**
- Emission Characteristics of a Naturally Aspirated C I Engine with Biofuels and Bio-Fossil Fuel Mixtures 69
- V. Sabatelli**
- Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study 47
- U. K. Saha**
- Experimental Investigation of Twisted Bladed Savonius Wind Turbine Rotor 1
 - Field Studies of Biogas Digester with Partitioned Walls 93
- Md. Zaglul Shahadat**
- Making of Biodiesel from Castor Oil Performance Test of a Diesel Engine with Neat Diesel Fuel and Diesel-Biodiesel Blends 19
- V. K. Sharma**
- Economic Evaluation of Integrated Solar Water Heating System in Different Configurations: A Case Study 47
- P. L. Singh**
- Performance Study of a Solar Tunnel Dryer for Horticultural Crops 103
- R. N. Singh**
- Emission Characteristics of a Naturally Aspirated C I Engine with Biofuels and Bio-Fossil Fuel Mixtures 69
- S. P. Singh**
- Emission Characteristics of a Naturally Aspirated C I Engine with Biofuels and Bio-Fossil Fuel Mixtures 69
- Sunita Singh**
- Performance Study of a Solar Tunnel Dryer for Horticultural Crops 103
- S. P. Subramanian**
- Experimental Analysis of a PCM Based I. C. Engine Exhaust Waste Heat Recovery System 81
- S. P. Tan**
- Some Laboratory Studies on the Carbonisation of Briquetted Tropical Wood Sawdust 41
- R. Velraj**
- Experimental Analysis of a PCM Based I. C. Engine Exhaust Waste Heat Recovery System 81
